

I'm an award winning director, producer and writer, who combines powerful storytelling with stunning visuals.

From intimate, sensitive, personal stories to CGI led "blockbusters", my productions have been shown around the globe.

The BBC2 documentary "Stonehenge: What Lies Beneath" was nominated for an **Emmy**, as were "Perfect Disaster" and "Human Body: Pushing the Limits". The BBC series "Space" **won RTS awards** for 'Innovation' and 'Visual Effects'.
